The BBSAI will communicate with you using the email address you provide us below. You will periodically receive newsletters, election ballots, and other communication about the Association via email. We recognize that not all members have or choose to use email, and we will provide these communications via U.S. mail for an additional \$10/year to cover copying and postage. This allows the BBSAI to use its funds to promote and preserve sheep rather than purchase postage. The BBSAI will *not* sell or otherwise convey your email address to any third party. If you prefer to receive information via U.S. Mail, please include this U.S. Post Surcharge in your membership.

**Email address:**

Each member must register a unique 3-character flock prefix that is to be part of the identification of every registered Barbados Blackbelly and American Blackbelly originating from that flock. (Example: PAL) To ensure that no one else will have the same number, please give your 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> choices below. You may use letters, numbers, or a combination of both. Members often select their three initials or the first three letters of their last name as their flock prefix.
