

How to Register Your Sheep

General Requirements:

* To register sheep that you breed, you must be a current BBSAI member.

* To be registered, a sheep must meet its respective breed standards.

* The sire and dam must be registered before their lambs can be registered.

* The breeder is the person who owned the dam when she was bred to the sire.

Scenario	Are you registering to yourself or someone else?	Was the sheep born on your farm?	Are you the breeder? (dam's owner during breeding)	Was the dam bred when you purchased her?	Did you own the sire when he sired this sheep?	Online Process	Hard-Copy Form Process
